

1. Create a Simple Contact Form with fields for user's name, email, message and a submit button.

`<form>`, `<label>`, `<input>`, `<textarea>`, `<button>` or `<input type="submit">`

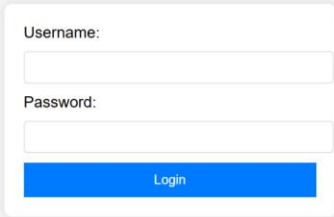

A screenshot of a web browser displaying a simple contact form. The form is centered on a light gray background. It consists of three input fields: a text field for 'Name:', a text field for 'Email:', and a larger text area for 'Message:'. Below these fields is a green button labeled 'Submit'.

2. Create a Simple Login Form

i) Create a form with POST method: The form will submit the data to a server `<form action="/login" method="post">`

ii) use `<input>`

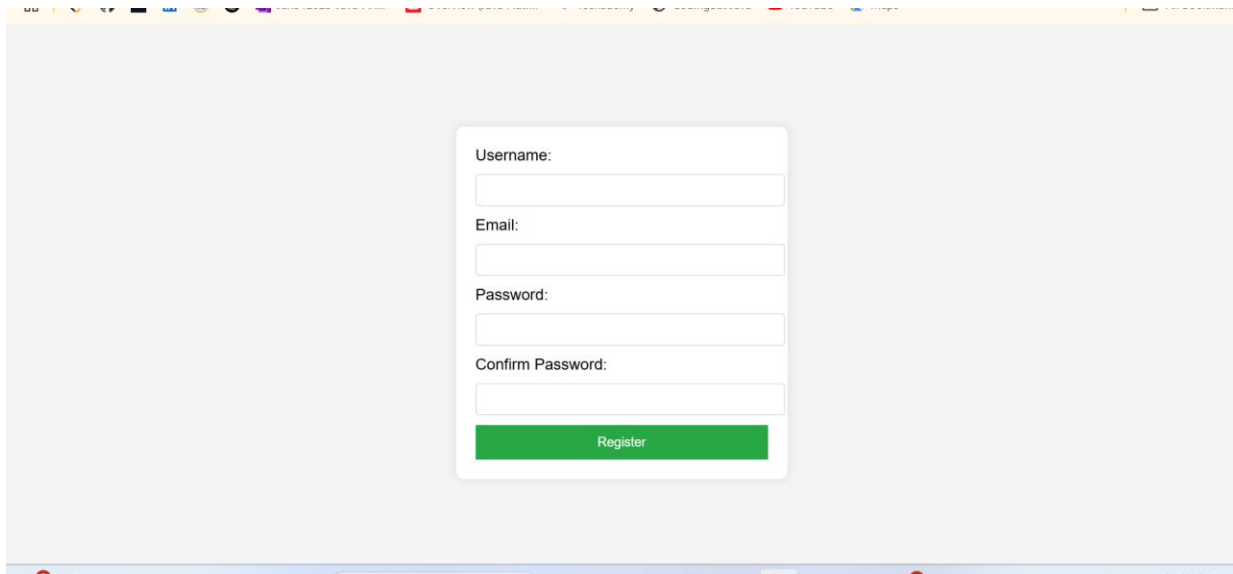

iii) use button

A screenshot of a web browser displaying a simple login form. The form is centered on a light gray background. It consists of two input fields: a text field for 'Username:' and a text field for 'Password:'. Below these fields is a blue button labeled 'Login'.

3. Create a Registration Form

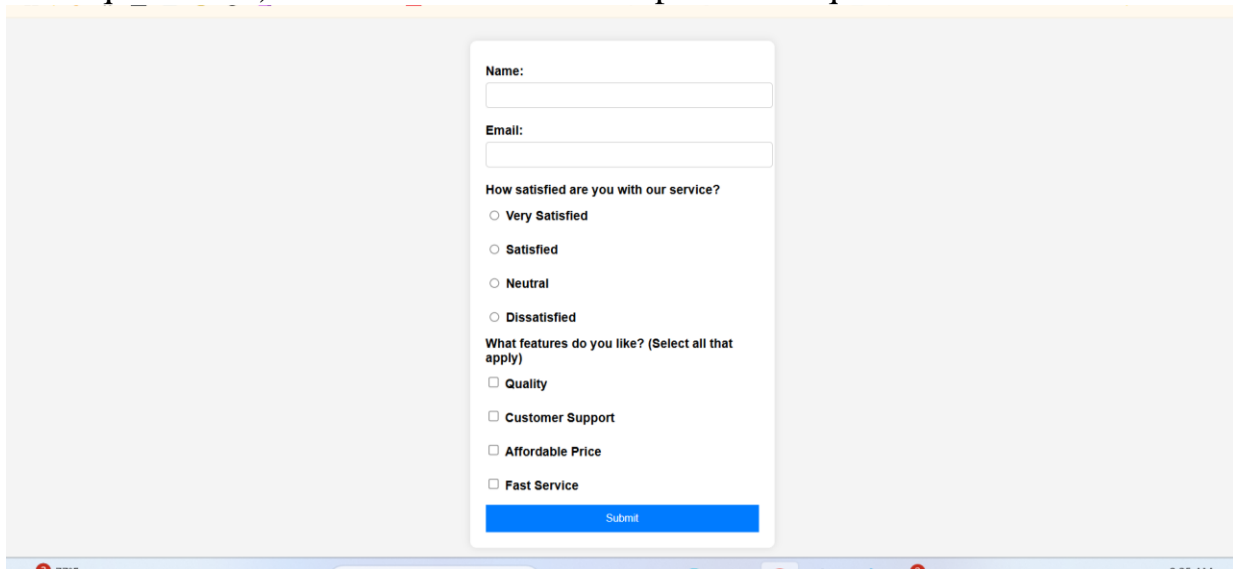

- i) create text input fields for username and email
- ii) use password field for password and confirm password

A screenshot of a web browser displaying a registration form. The form is centered on a light gray background. It contains four text input fields labeled 'Username:', 'Email:', 'Password:', and 'Confirm Password:'. Below these fields is a green button labeled 'Register'.

4. Create a Survey form

- i. use `<form>` to wrap the elements
- ii. use `<label>` for each question
- iii) use radio button for single choice question
- iv) use checkboxes for multiple-choice questions

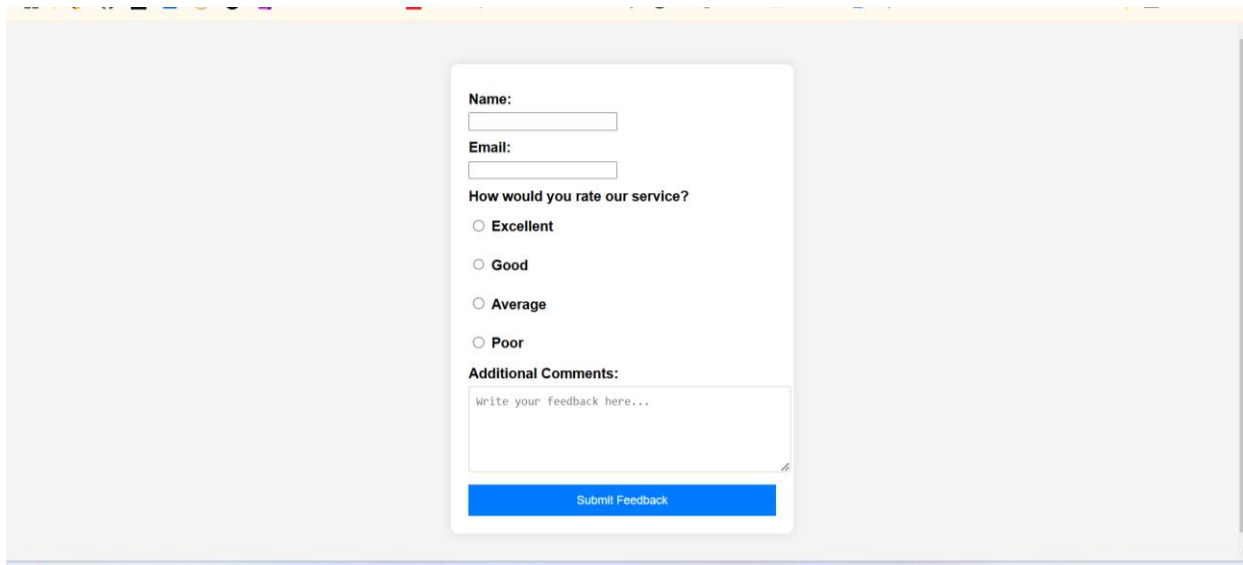

A screenshot of a web browser displaying a survey form. The form is centered on a light gray background. It contains two text input fields labeled 'Name:' and 'Email:'. Below these is a question 'How satisfied are you with our service?' with four radio button options: 'Very Satisfied', 'Satisfied', 'Neutral', and 'Dissatisfied'. Below this is another question 'What features do you like? (Select all that apply)' with four checkbox options: 'Quality', 'Customer Support', 'Affordable Price', and 'Fast Service'. At the bottom is a blue button labeled 'Submit'.

5. Create a Feedback Form

- i) use radio buttons to let users select the rating

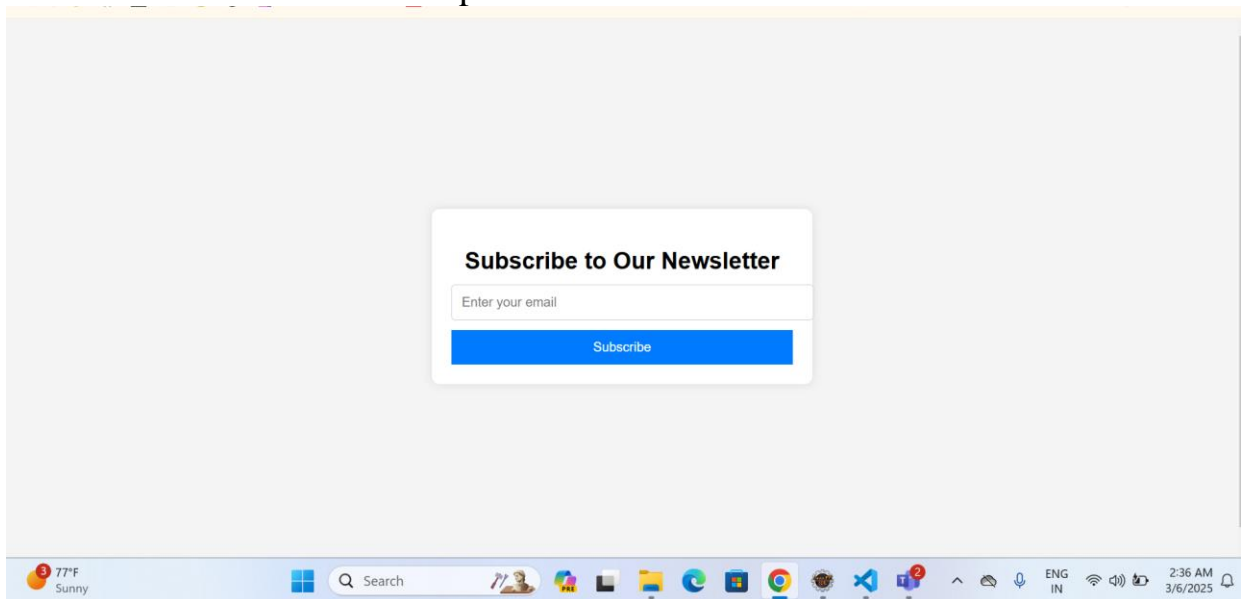

SALONI SMRITI
6/5/2025

- ii) use textarea for comments
- iii) include a submit button

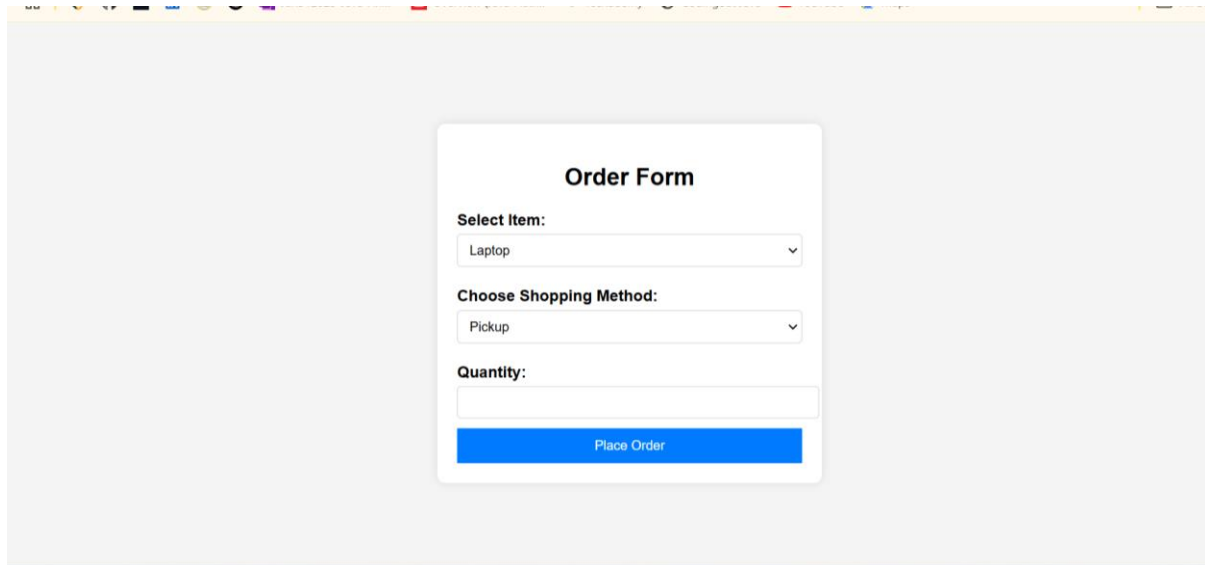

A screenshot of a web browser displaying a feedback form. The form is centered on a light gray background. It contains the following elements: a 'Name:' label followed by a text input field; an 'Email:' label followed by a text input field; a question 'How would you rate our service?' with four radio button options: 'Excellent', 'Good', 'Average', and 'Poor'; an 'Additional Comments:' label followed by a large text area with the placeholder text 'Write your feedback here...'; and a blue 'Submit Feedback' button at the bottom.

6. Create a Newsletter Subscription

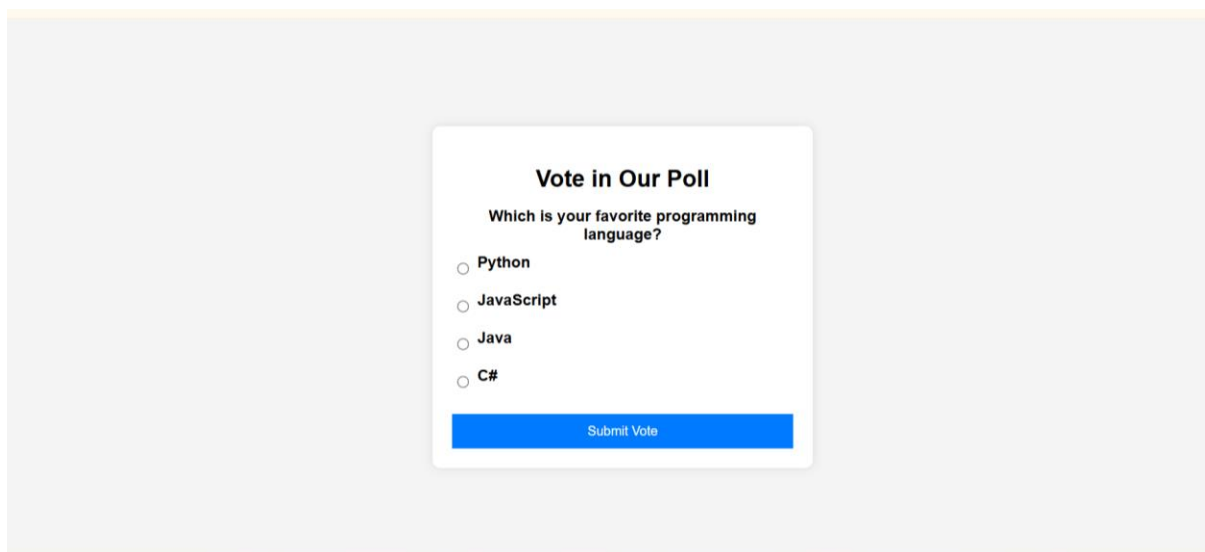

A screenshot of a web browser displaying a newsletter subscription form. The form is centered on a light gray background. It features a title 'Subscribe to Our Newsletter', an input field with the placeholder text 'Enter your email', and a blue 'Subscribe' button. At the bottom of the browser window, the Windows taskbar is visible, showing the date and time as 2:36 AM on 3/6/2025, along with various system icons and application shortcuts.

7. Create an Order form

The screenshot shows a web browser window with a light gray background. In the center is a white rounded rectangle titled "Order Form". Inside the form, there are three sections: "Select Item:" with a dropdown menu showing "Laptop", "Choose Shopping Method:" with a dropdown menu showing "Pickup", and "Quantity:" with an empty text input field. At the bottom of the form is a blue button labeled "Place Order".

8. Poll Form

The screenshot shows a web browser window with a light gray background. In the center is a white rounded rectangle titled "Vote in Our Poll". Below the title is the question "Which is your favorite programming language?". There are four radio button options: "Python", "JavaScript", "Java", and "C#". At the bottom of the form is a blue button labeled "Submit Vote".

9. Booking Form for reserving a table at a restaurant
